Benefits of Power Delivery (PD) & Quick Charge (QC) technology

QC

Quick Charge¹ lets you charge compatible devices 4x faster than standard charging.

PD

Whether phone or laptop, the Power Delivery technology detects the connected device to deliver the precise amount of power to charge that device as fast as possible.

Super Versatile
Can even fuel up your laptop²!

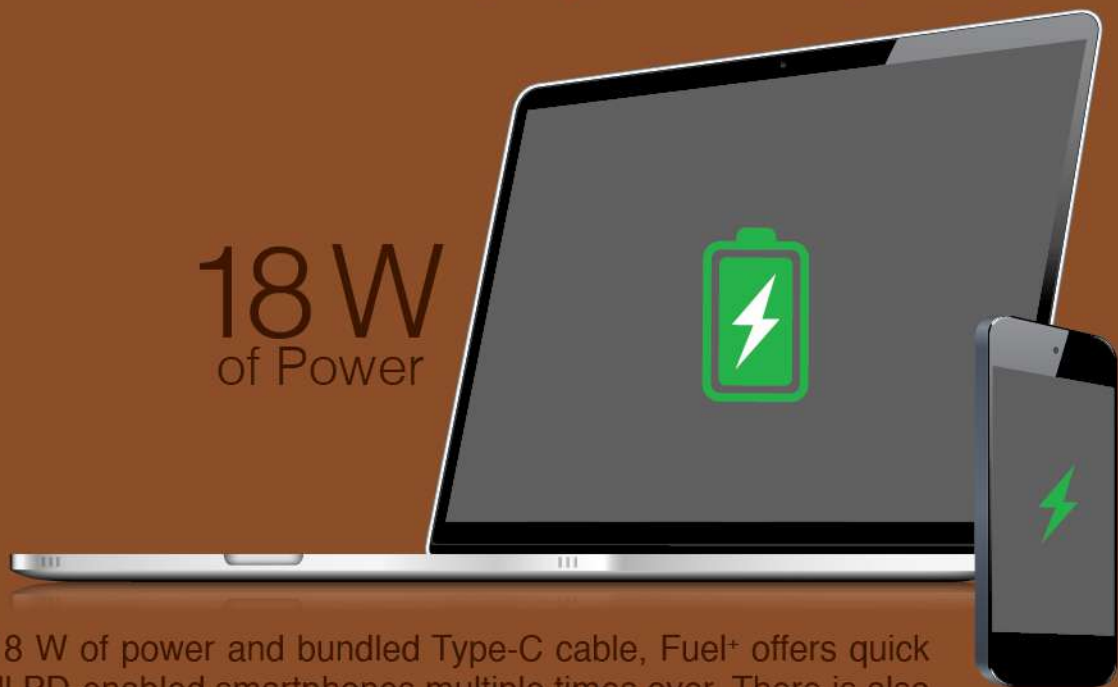

Optimal fast charging without delivering too much power protects device circuitry from damages.

50% Faster Charge

saved to move on, doing things you love.

Fuel⁺ (PD+C)
